

EFFECTIVE COMMUNICATION STRATEGIES

A free education program presented by the Alzheimer's Association® hosted in partnership with North Jefferson County Library District.

Communication is more than just talking and listening – it's also about sending and receiving messages through attitude, tone of voice, and body language. As people with Alzheimer's disease and other dementias progress in their journey, families need new ways to connect.

Join us to learn about:

- » How communication takes place when someone has dementia
- » Verbal and behavioral messages delivered by someone with dementia
- » Strategies to help you connect and communicate at each stage of the disease

**Tuesday,
November 9, 2021**

7:00 - 8:00 PM

Via Zoom video conferencing or dial in.

Please RSVP by calling 800.272.3900 or register online using this link: https://bit.ly/Nov9_ECS to receive Zoom information.
